

A SCHOOL EVENT FOR YEARS 5-12

BOUNCE — BACKABILITY

Stories of resilience

In response to the pandemic and the impact it is having on the next generation, Project Gen Z has launched a new school event, 'Bouncebackability', real stories of resilience to prove that no matter how tough things get, we all have the ability to recover after setbacks.

projectgenz.com.au

A SCHOOL EVENT FOR YEARS 5-12

The event

Bouncebackability is an event for years 5-12. During the event students will hear 'real' stories of resilience, strength and success. Our speakers, entrepreneurs, changemakers and leaders, will share their diverse journeys, inspiring experiences, tips and takeaways to support students to develop a growth mindset, resilience, and walk away feeling inspired and ready to overcome challenges.

Outcomes

- Resilience
- Growth mindset
- Problem solving
- Goal setting
- Leadership
- Adaptability
- Exploring careers

Resilience;

The ability to bounce back after adversity.

Up to 150 students

Online event or oncampus

MEET THE SPEAKERS...

We have 30 incredible entrepreneurs, change makers and leaders lined up ready to share their inspiring journeys at part of this exciting event.

**Cam Merchant,
Professional Cricketer, ex-Mafs star**

Cam started playing cricket as a young boy and dreamt of playing professionally. Fastforward and that's exactly what happened! Cam has an incredibly inspiring story, from cricket, finding love on MAF's, to being on holiday with his family in Phuket when the 2004 Tsunami struck. Cam was left in a state of devastation and his life was changed forever. Cam's story focuses on staying positive, overcoming adversity and how to live a fulfilled life.

**Liz Volpe Founder Project Gen Z & League
of Extraordinary Women**

As the founder of Project Gen Z Liz's purpose is focused on educating the youth of today in entrepreneurial thinking. She knows only too well the importance of these skills having herself landed in Australia in her early twenties with nothing more than a backpack full of dreams and a heart full of determination. Liz shares her story of how she found her passion, raised over \$150 million for charities and launched Project Gen Z to inspire & educate young people around the world.

**Anneliese Reeves,
Founder of One Tribe Village**

As a 15 year girl Anneliese wanted to change the world, so fundraised and supported a group of aboriginal young people to achieve their dream of visiting the beach for the first time. Anneliese surprised everyone with her leadership, go getting attitude and determination to rise over challenges. Now Anneliese runs her own e-commerce social enterprise 'One Tribe Village' and continues to focus on making a difference in the world.

Denzel Gargar, Youtuber

Denzel is the son of an accountant who's a yet to be famous YouTuber! The life he lives and the videos he creates exemplify the lifestyle of dreaming BIG, and at the same time dreaming practically. The dream? GOD GIVEN TALENT, a media company Denzel has launched on YouTube. In Denzel's presentation he shares his rollercoaster journey from school through to becoming a youtuber, and all of the challenges along the way.

Caroline Brunne, Founder of OCD

Growing up in a large family, Caroline was no stranger to diaries, planners and checklists. As a result, organisation became an innate part of Caroline's personality. It wasn't until many years later when she began her career in the events industry that Caroline realised her talent was more than a skill set. Caroline now runs Organise, Curate, Design which is a life management agency to help people get organised! Caroline shares her message of how she tapped into her unique strengths to find a career she now loves.

Vera Goral, Author & mental awareness advocate

Vera migrated to Australia from Afghanistan at just 8 years old. It was a tough journey and at such a young age Vera lost hope that her life might be like the other girls and boys she met. Vera now shares her story to young people to support them through tough times. As a mental awareness advocate Vera is writing her first book to bring hope to others and show that tough times don't last and dreams can come true.

Dr Lisa Gadd, Founder of Living Health Group

Dr. Lisa Gadd has always been fiercely passionate about health, however It wasn't until suffering a stroke in 2014 that she was able to appreciate the implications of what it is to lose bodily function, to deal with the emotional loss of poor health, or to understand the resilience required to rebuild the mind, body, and spirit post trauma. In this period Lisa harnessed courage and a firm commitment to reframe her belief systems to ensure she was able to come back stronger than ever. Today Dr. Lisa Gadd is an esteemed business leader and the founder of Living Health Group.

Thai Ho, Founder of Ho Chi Mama

At just 16 years old, Thai found himself sitting in Kylie Minogue's record company doing a deal to run Melbourne's biggest under 18's event. He went on to become one of Australia's most successful event promoters, running concerts and festivals around the world. Thai recently moved into the world of hospitality opening 3 of Melbourne's Top 10 restaurants 'Ho Chi Mama'. Thai shares his story of starting young, the mistakes he made and how he has stayed focused on his goal to get to the top.
